Senior Surgeon says that he has

What the interests of Service
^{which were not known a month before}
are, the Offg Senior Surgeon does
not say. It seems necessary that
in such cases Government sanction
should be obtained before a
gazetted Medical Officer is transferred
from one place to another, and
a limit should also be laid
down as to the No. of Officers &
Hospital Assistants that should
be attached to this Institution.

The present policy seems to be that
such & every Medical Officer that
becomes available is put in the
Victoria Hospital and we have no
idea as to its requirements. Attention
is respectfully invited to para 14 Supra.
